Kodiak 2013
Camp Schoellkopf

What is Kodiak?

The Kodiak leadership course is offered in an exciting and challenging atmosphere. Kodiak teaches leadership skills in a fun way that is internalized by the Scouts who take the course. In other words it is a challenging, adventure experience with a simple and fun leadership course included . Kodiak is not taught indoors or in a classroom ; it is done completely outdoors using nature's examples of leadership.
