Camp Schoellkopf 2014 Updates and Changes

Listed below are changes to the Summer Camp Program as well as some important updates:

- Due to a lack of interest in the Kodiak program it is an unfortunate reality that the Kodiak program will not be offered during the summer of 2014. However, we are now able to offer treks to Troops who are attending camp this coming summer. Treks that will be available are *(Please Note this only for weeks 1 and 4 only, weeks 2 and 3 will still offer the Kodiak program)*:
    - White Water Rafting down the Genesee River at Letchworth State Park ($25 per participant, Tuesdays All Day)
    - Bike Hike to Scouthaven ($5 per participant, Thursday mornings at 6am should be back for lunch)
    - Horsemanship Merit Badge ($20 per participant, Thursday Afternoons 1:30-5:30pm)

There will be no age restriction on the rafting trek, however for the bike-hike and the horsemanship merit badge participants must be aged at least 13 years old.

- New adult trainings will be offered at camp as well. Scoutmaster Essentials, Introduction to Outdoor Leader Skills (IOLST) as well as Weather Hazard, and Youth Protection trainings can now be done at camp. Adults interested in Scoutmaster Essentials and IOSLT are *highly* encouraged to register online.

- As a **thank you** for coming to camp each troop will be given two official Camp Schoellkopf name plates to be worn on their uniform. Additional plates can be purchased at a cost of $5 a piece. Please contact Sue Gruber with the following information as soon as possible (Orders were due June 10th) and in order to insure a timely delivery of your name plates.
    - First & Last Names, troop number, any extra name plates you may be interested in purchasing.
    - All information can be emailed to Sue Gruber at susan.gruber@scouting.org or called in at 716.891.4073 ext 5209
