Health & Safety

First Aid

All medical injuries/illnesses must be reported to the Camporee Health Warden. The Health Warden and contact information will be announced at the Friday night Bonfire and Cracker Barrel. Staff will also be in the Leaders Lodge.

If an event occurs requiring medical attention and the individual can make it to the Leaders Lodge, he/she should be escorted there. If the individual has a serious injury, do NOT move them and **call 911 then the** Camporee Health Warden. Medical personnel will be dispatched to the site of the medical emergency as needed.

Medications & Health Forms

Each unit attending the Camporee should have individual medical histories for each scout and adult. Health forms should be kept by the unit leader and made available to our medical staff as needed. Download the BSA form at http://www.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf

Medications should be handled per unit policy. From the BSA Guide to Safe Scouting: The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. Read the full BSA medication guidelines at http://www.scouting.org/filestore/HealthSafety/pdf/SAFE_USE_OF_MEDICATION_IN_Scouting.pdf
