REFUND POLICY

Safety is our most important concern each year at Summer Camp. We understand that the pandemic has changed everyone's ability to make long term plans. For that reason, we have entirely redesigned our Summer Camp Refund Policy. If you aren't feeling well before camp starts please stay at home. You can get a full refund, minus a \$25 cancellation fee with a doctor's note. If leading up to camp you are unable to consult with a doctor, our health and safety team would be happy to talk with you about extenuating circumstances. In addition, your entire camp fee can be refunded up to 30 days prior to camp starting subject to a \$25 cancellation fee for any reason.

Should we not be allowed by NY State to run Summer Camp, all fees will be refunded.

HOW TO REGISTER

Contact Bob Blatz, Operations Manager, to complete your Session Deposit. Bob will coordinate unit accounts with your unit's leadership team for further payments.
