GUIDEBOOK LAST UPDATED 01/22/2023

WELCOME HOME

Hear ye, hear ye! Let it be known your presence is hereby formally requested at Camp Scouthaven this summer!! Enter the dragon's lair, and take on the challenges within. The campaign that awaits will force you to make an important choice. Will you make the right one?

Join us at Camp Scouthaven in 2023 for Dueling Dragons.

Speaking on behalf of our staff, volunteers, and council, Welcome Home Again! Planning helps to ensure everyone gets the most out of summer camp. Please share this and the Leaders & Parents Guidebook with those in your unit attending camp. Our staff, volunteers, and committees have been working double time to release this Program Guide earlier than ever before to help with your unit's planning. This spring expect to see the last pieces of the puzzle come together as we finalize the special program schedules, awards, and more.

This summer we are working to embrace more technology around camp to better supplement our time spent outdoors. This spring we will launch a smartphone app for participants at summer camp. This app will feature the latest schedules, reminders, and more. All registered participants will receive an email invite to join. In addition, Blue Cards are no longer required for Merit Badge classes.

Each unit will receive a Completion Report detailing what requirements were met at camp by the Monday following the session.

We can't run camp without our volunteers, friends, and families. As we work through the winter into another year of camp, I hope everyone will join in on the fun. Whether coming to our Beaver Weekend to help with service projects, or spending some time with us out at summer camp leading programs and projects, either on your own or when you attend with your unit.

If you have any area of interest please let us know!

Please feel free to contact us anytime if we can help prepare your unit in any way for camp.

AQUATICS

There are three different areas for swimmers of different abilities—white (Non-Swimmer), red (Beginner), and blue (Swimmer). Ability checks will be assessed for all campers as part of the Sunday check-in process if campers have not pre-checked. An Introduction to SCUBA class is also offered each week.

CAMP THUNDER ROCK

We're excited to announce our new First Year Camper Program, Camp Thunder Rock. Our new 1/2 day program brings us back to the roots of scouting. This area features rank requirements and activities best suited for first-year campers and provides a focus on skill mastery with fun, hands-on instruction.

To allow for smaller group instruction and greater flexibility for the scouts, we will be offering 2 half-day sessions. Participants will attend either Periods A, B, & C **OR** D, E, & F daily. Camp Thunder Rock is located at Boss Lean Too.

On Thursday Afternoon (5PM), Scouts will hike from the Boss Lean Too area up Council Hill to start their ultimate overnight experience. There they will eat dinner with their patrols and participate in a series of challenges to culminate everything they have learned in the program. Following a snack and spirited campfire, they may choose to sleep out under the stars, in a tarp shelter, or a tent provided by their troop. Each troop with Scouts attending the overnighiter is required to send an adult leader for the night. If this creates a hardship for your unit, please contact Camp Management.

A list of requirements covered will be issued at the end of each week. However, it is each troop's responsibility to verify that the skills have been mastered by the Scouts before signing off on their rank requirements.

TRAINING OPPORTUNITIES

Fuels Safety Orientation

This training is recommended for any troop that will be using liquid fuels in Scouting. This course uses instruction and hands-on training to safely handle and use liquid fuel stoves and lanterns. This training is meant for adult leaders and SPLs.

Leave No Trace Awareness Workshop

This workshop details the seven Leave No Trace principles and how they are applied to the Scouting program.

This course is for both youth and adults.

Life to Eagle Seminar

Members of the Council Advancement Committee conduct the Life to Eagle seminar. This training is required for Life Scouts to attend before starting their Eagle Project.

Safe Swim Defense & Safety Afloat

These courses detail the BSA procedures for swimming and boating safety. Every troop that uses aquatics as part of its program must have at least one adult who holds a current training certificate. Safe Swim Defense/Safety Afloat training must be renewed every two years. These courses are also available year-round online.

STAFF DEVELOPMENT TRAINING PROGRAM

Camp Staff Aids in our Volunteer Staff Development Program will gain leadership-focused camp experience. Participants will learn skills to prepare to become full-time staff members in the future and to develop skills to bring back to leadership positions in their units. In addition to training alongside our staff, participants will be teaching assistants during instruction, be den chiefs during Cub Scout sessions, and have the opportunity to earn Merit Badges. This program is designed for those who are 15 years old and will be 16 years by 7/1/2024.

MERIT BADGES

Merit Badge Instructors are qualified members of the camp staff under the direct supervision of an adult area merit badge counselor. Counselors at camp may not necessarily be recognized counselors outside of summer camp.

All merit badge offerings have been approved by the Council Advancement Committee. Scouts will meet the most current merit badge requirements. At no time will a merit badge requirement be waived or altered by a member of the camp staff. Camp conditions may require the limitation of optional requirements for some badges.

Prerequisites

For many badges, not all requirements can be met at camp. Scouts should come prepared on the first day of class with all prerequisites completed.

In some cases, this will require a Scoutmaster's note and signature, in others it will involve bringing projects to camp. A Scout who does not complete all requirements will receive an incomplete (partial). This can be finished after camp under the supervision of a recognized merit badge counselor.

Scoutmasters must give permission before a Scout can begin work on a merit badge. Certain badges are more appropriate for more experienced Scouts. The camp provides experience level recommendations for each badge. *It is the Scoutmaster's responsibility to ensure that a Scout attempts appropriate badges and that their scouts are informed of any prerequisites and/or extra fees associated with their activities.*

Independent Study Merit Badges

Independent Study Merit Badges are not taught in a typical class setting. They require extensive individual work outside of the program area. Typically before attending camp, scouts must complete all requirements not directly involving a merit badge counselor. Scouts interested in taking Independent Study merit badges need to meet with the Area Director early in the week to schedule meeting times. We will do our best to honor any requests and offer any merit badges for which we have the supplies, staff, and time.

Registration

Merit Badge Registrations are only accepted online. Registration opens on 3/6/2023 after Bunk Deposits have been completed. Merit Badge selections should be made by 6/1/2023. Camp Coordinators should register their entire troop as a whole. All classes have size limits. Every effort will be made to accommodate a troop's preference, but first choices cannot be guaranteed. Please contact us if you need assistance.

Friday Sessions

Built into our schedule is time for scouts to complete requirements for badges they do not finish during the week. Friday morning from 9:00 to 11:45AM every program area will be open for scouts to finish merit badge requirements. For those scouts who are caught up a list of special activities and badges will be announced this Spring.

Any scouts who wish to work on existing partial merit badges should contact the appropriate Area Director by Monday night to schedule time to work on requirements. Be sure to bring the incomplete blue card / record.

One Stop Merit Badges

Throughout the week one stop merit badges which meet for an hour or two outside of normal class times will be available. A details list will be announced this spring. Registration for these classes will be at the Camp Office during your session.

Paperwork Pick Up

Completed paperwork, patches, etc. will be available for pick up from the camp office following the closing campfire. Unclaimed items will be forwarded to the Council Service Center. Please check your mailbox often during your stay.

Blue Cards are no longer required. Each unit will receive an Electronic Completion Report detailing what requirements were met at camp by the Monday following the session.
