

Wild Spirit Education

Weather Merit Badge Pre-requisite

Please be certain to have this done before you show up at the workshop.

8a. Keep a daily weather log for 1 week using information from sources such as local radio and television stations or NOAA Weather Radio, and Internet sources (with your parent's permission). Record the following information at the same time every day: wind direction and speed, temperature, precipitation, and types of clouds. Be sure to make a note of any morning dew or frost. In the log, also list the weather forecasts from radio or television at the same time each day and show how the weather really turned out.
