2017 Camporall
Frequently Asked Questions

What is a Camporall?
A Camporall is large Scouting event hosted once every few years by the Greater Niagara Frontier Council. The last Camporall celebrated the 100th anniversary of the BSA and was held at Fort Niagara in 2010. The Camporall committee has been meeting for over two years to plan the 2017 event.

Where and When?
June 9-11, 2017 at the University at Buffalo north campus in Amherst, NY. The event will run from Friday evening to Sunday morning, with the main program occurring on Saturday.

Who can go?
A Camporall is for ALL Scouts, leaders, and parents—Cub Scouts, Boy Scouts, Venture & Explorer Scouts, and Girl Scouts. Join hundreds of Scouts and leaders from throughout Western New York and beyond.

What is the theme?
We will be focusing on STEM—Science, Technology, Engineering, and Math—and how it influences our world. We are partnering with the UB School of Engineering & Applied Sciences to offer a unique opportunity for Scouts to experience fun, hands-on STEM activities that take full advantage of University facilities, resources, and staff.

How much?
The fee is $15 per person and includes a box lunch. You are responsible for the rest of your meals. Cook on site or take advantage of one of the options on campus.

What if my unit isn’t going?
You can sign up as an individual or as part of a Pack, Troop, Crew or Post.

What if we aren’t able to camp?
Saturday participants will be able participate fully in the program. You can leave in the afternoon or stay for the closing show on Saturday evening.

What kind of activities will there be?
Saturday at the Camporall will be split between activities around the University and at the outdoor Midway area. Cub Scouts, Webelos and younger Girl Scouts will explore the Midway in the morning and the UB Lab activities in the afternoon. Boy Scouts, Venturers, Explorers, and older Girl Scouts will participate in the Lab activities in the morning and the Midway in the afternoon. Age-appropriate programming will be offered throughout. Scouts will have the opportunity to select their own program preferences.

Can Cub Scouts participate fully?
Yes! Cub Packs can camp as a unit for the weekend, attend for the day, or camp with a Boy Scout Troop. The choice is yours.
