Youth Kindergarten through 5th Grade

While Cub Scouting is designed for boys and girls in kindergarten through fifth grade, it really involves the whole family as parents pitch in to plan and deliver activities. Cub Scouting helps form a foundation of character in ways that are affirmative and fun.

Youth 6th Grade until 18th Years Old

Scouts BSA is a year-round program for boys and girls in 6th grade through high school that provides fun, adventure, learning, challenge, and responsibility to help them become the best version of themselves. In Scouts BSA, young men and women go places, test themselves, and have one-of-a-kind adventures that can't be found anywhere else.
